Subject: Funding Support for Research on "Advanced Cloud-Based Storage for MRI Centers"

Dear Sir/Madam,

We are pleased to inform you about our interest in supporting the research work led by Mr. Shivam Tiwari, a student at AKS University, on the topic "Advanced Cloud-Based Storage for MRI Centers."

The implementation of this research will greatly benefit MRI centers by providing them with a cost-effective and scalable solution for handling large datasets, improving accessibility, and enhancing data security.

In recognition of the importance of this research, Sanya Prime Diagnostic Center, Jabalpur, is committed to providing financial support up to Rs.22,000/- (Twenty-Two Thousand) per month till September 2026 to ensure the success of the Research.

Yours sincerely
